

Chocolate Heart Box Workshop

In this Workshop you will learn how to make a heart shaped box out of chocolate! Yes, it will be completely edible, and it's very easy to make. The Heart Shaped Chocolate Box is about 6 inches across, and you can fill it with your favorite Valentine's Day candies, just in time for Valentine's Day! Everyone will get to make & decorate their chocolate box, and add their own artistic spin on it.

We will provide all ingredients and utensils, along with a box to take your new dessert home. The workshop lasts about 60 minutes. It is recommended you bring an apron but is not required. \$20 per person. This Workshop is brought to you by Innovative Bouquets Workshops, and we hope you join us to Have Fun & Learn Something New!

When: February 11th 5 p.m.

Call SERP Office 844-8486 or email serp@sandia.gov to reserve your seat.

Please allow 48 cancellation notice is required. Product is prepped based on class participation.
